

**ALL LU Classes CANCELLED**  
**for Last Week of Session**

Thursday, March 12

This afternoon your Board met and decided to cancel the last week of classes and to postpone the Annual General Meeting until the Fall. **There will be no classes March 17, 18, or 19.**

Given the increased vulnerability of our members due to age, the numbers who travel abroad and take cruises, the close quarters of our lecture room and hallways, and the lengthy period of time during which an infected person may show no symptoms but still be contagious, we are taking these cautious measures in the public interest to limit possible virus exposure.

We expect Fall registration to go ahead as planned and will send out advance notice of the date of the re-scheduled Annual General Meeting.

We look forward to seeing you all in the Fall.

Glenn Yaffee  
President, Board of Directors
