

Registrar's AGM Report for 2021

The Winter 2021 was the second webinar-based series. Members were getting familiar with the simple registration process as well as series delivery utilizing Zoom. In total 712 lecture spaces were filled. A large number subscribed to the Tuesday series on Toronto's Architectural History.

Tuesday (Toronto's Architectural History)	335
Wednesday (The Power of Mythology)	242
Thursday (America in the Cold War and Beyond)	135

More members joined during the Winter 2021 series than the Fall 2020 series as they enjoyed listening and watching from the comfort of their homes without worrying about the weather.

The Fall 2021 Registration was the third webinar-based series after successfully delivering Fall 2020 and Winter 2021 series. In total, 483 lecture spaces were filled similar to the Fall 2020 with the distribution as follows:

Tuesday (Recent Advances in Medicine)	225
Wednesday (Perils in Paradise)	125
Thursday (Film, Original Music & Pop Culture Part 2)	133

21 registered for 2 series and 67 registered for 3 series. 129 were new registrants compared with Fall 2020 series.

Members joined from outside Canada when they were travelling and as a result did not miss any lectures. Also, members were joining not only from Toronto but also from Ontario and some even from Canada by referrals from friends and relatives in Etobicoke. The trend for more members joining during the Winter series continued with Winter 2022 series which was just recently completed.
